'JIMMY PAGE BY JIMMY PAGE', THE PHOTOGRAPHIC AUTOBIOGRAPHY, HAS NOW SOLD OUT THROUGH PRE-ORDERS ALONE, MAKING IT THE FASTEST SELLING BOOK EVER TO BE PUBLISHED BY GENESIS PUBLICATIONS.

ON NOVEMBER 5 AND 6 GENESIS PUBLICATIONS WILL HOST AN EXHIBITION OF IMAGES FROM THE BOOK AND SELECTIONS FROM THEIR ARCHIVE AT ELMS LESTER PAINTING ROOMS, LONDON WC2.

"JIMMY PAGE BY JIMMY PAGE" has become the fastest selling book in the history of Genesis Publications, having sold-out through pre-orders alone. The book, which documents the iconic guitarist's life from his childhood in music through his legendary career with Led Zeppelin to the present day, was personally compiled by Page and features 650 images, many from his personal archive. Jimmy also wrote the accompanying text and helped design the magnificently luxurious binding to create an artefact that is an incredible visual documentary which reflects his vast contribution to music.

Genesis Publications will host an exhibition of images from the book plus selected images from some of their previous books at London's Elms Lester Painting Rooms on November 5 and 6. The exhibition is open to the public who will be able to see a collection of works by more than 70 different photographers including such legendary names as Kate Simon, Neal Preston, Ross Halfin and Pennie Smith.

As the book has sold out before its official publication date, this will be the only chance to see these exclusive images outside of the limited edition publication.
